The President,

District Board, South Kanara.

Sir,

(R)

The Government in their Memorandum No. 2955-1-P.H. dated 28th February 1922, have ordered to make provision in the budget estimate of the Taluk Board for the current official year, for contribution towards the salary of the medical officers at the enhanced rates. The Taluk Board has hitherto been maintaining all its institutions including the medical, with the greatest financial difficulties. It cannot therefore bear the additional cost of the medical officers. It has therefore passed a resolution (copy enclosed) requesting the sanction of Government to employ its own medical men (Registered medical practitioners) at a less salary in case the Government is not prepared to

bear half the net cost of the L.F. Hospital at Udipi. 2

I have therefore the honour to request the orders of Government in the matter.

I have the honour to be,

Sir,

Your most obedient servant.
